Thanksgiving is a time for gathering around the table, sharing a meal, and enjoying one another's company.

This year, we're hosting a Thanksgiving lunch for anyone who would appreciate a place to gather and share the day with others. Whether you're part of our church family, a neighbor, a student, or simply looking for good company, there's a place for you at our table.

We're also inviting our congregation to help make this meal possible by bringing a dish, contributing supplies, or volunteering to help.

All are welcome. No one eats alone.

Come as you are. There's a seat at the table for you.
